Date(s) of Event(s): May 1, 2025

LORD FAIRFAX SOIL & WATER CONSERVATION DISTRICT COMMITTEE & COOPERATING AGENCY REPORTS April10, 2025 Agenda

LFSWCD Chair Report Joan Comanor

Dana and Mary, what is the recommendation of the Cons Tech Committee regarding the voluntary survey that Kendall forwarded to us? Allyson, how did our Outreach event go and based on that, what changes are you thinking about for next year? What happened at the Area Envirothon? Tell us about your new intern and what she will be doing? We are moving into the 'close-out' phase for this fiscal year and Board members, especially Committee Chairs' cooperation will be much appreciated.

Treasurer / Finance Report Stephanie Shillingburg

- There will be a Finance Committee meeting on 5/8/2025 at 9:00am; held in the office conference room.
- I have reviewed April 2025 Bank Statements, Reconciliations and Monthly Reports, all of these appear to be correct and accurate.
- Please review the monthly Financial Reports provided in the Board Packet.
- MOTION is needed "that the Treasurer's report/documents be filed for audit".

Board Secretary / Assistant Treasurer / Administrative Manager Sarah Fleming

Items of Interest:

Monthly Happenings:

- Interview scheduling and preparation.
- Proposed Budget preparation
- Schedule Committee/Board meeting space.
- Meeting postings.
- Monthly Board Meeting Prep (Minutes, Agenda Reports & Packet, Scheduling), Attendance & Follow-up.
- ST9-5 Reporting / State Sales Tax Filing (Due 20th of each Month)
- Accounts Payable / Cost Share.
- Monthly Assistant Treasurer Responsibilities / Reconciliation, Monthly Reports.
- Assist with BMP Part II's
- Add meeting minutes and calendar items to the Website.

Trainings/Education/Participation:

- 4/1 Local Envirothon
- 4/15 ASAP Webinar
- 4/22 Water Cooler Chat / zoom
- 4/28, 29 Interviews
- 4/30 SHRM Webinar

Office Closings:

• Monday, May 26, 2025 – Memorial Day

Conservation Programs Manager Dana Gochenour

Training

• No formal trainings this month

Promoting BMPs

- With Ben, completed as-built inspection at Audley SL-6W (Clarke Co.)
- With Ben and Nick, surveyed stream crossing sites for French Bros. SL-6W (Pugh's Run, Shenandoah Co.)
- With Ben, staked fence at Norwood SL-6W (Clarke Co.)
- Presented about cost-share programs at public meeting for Stony Creek, Crooked Run, Pughs Run TMDL
- With Madison, visited with B. Wojnar to discuss plan for SL-6W (Frederick Co.)
- With Ben, met with a Shenandoah Co. landowner to discuss potential SL-6 options (Stony Creek)
- With Nick, met with a Clarke Co. landowner to discuss potential SL-6W
- Communication with contractor and Sara Bottenfield regarding increase for Dellinger SL-6W (Mill Creek, Shenandoah Co.)
- Represented LFSWCD at Browntown Red Bud Festival
- Completed as-built inspection of Orndorff SL-6W (cave and sinkhole, Shenandoah Co.)
- Communication with Harrisonburg NRCS about a joint visit and potential piggyback in southern Shenandoah Co.
- Provided S. Smith SL-6W plan map and footage to fence contractor
- Communication with K. Michaelis regarding transfer of responsibility process for potential sale of property with SL-6 in lifespan (Shenandoah Co.)
- Follow up with M. Sipe regarding maintenance needed on EOL verification. Documented repair and marked verification complete. (Clarke Co.)

Staff Relations

- 4/3- Conservation Technical Committee meeting
- 4/10- Board of Directors meeting, Ed & Info Committee meeting
- Staff meeting to discuss TAC suggestions and updates to secondary considerations and ranking spreadsheets
- Staff NMP writing practice
- Reviewed applications for Program Support Specialist position
- Revised interview questions
- Participated in interviews for Program Support Specialist position

Also this month:

Senior Conservation Specialist Nick Livesay

Promoting BMPs

- Guy (SL-6W: SFSR, Warren Co.) file completion and payment
- Chambers Family Vineyard (SL-6W: Swover Creek, Shen. Co.) correspondence, gravity water system design work
- Mt. Airy Dairy (SL-6W: Trib to Smith Creek, Shen Co.) visit with Madison
- Technical assistance visit regarding culvert erosion in Frederick County
- Gochenour (WP-4LL, Shen. Co.) reviewed bills with Madison
- Correspondence regarding tax credits with multiple producers
- Engineering visits with Amanda Pennington four farms with Madison, Sabrina, and Ben
- Springdale Poultry (SL-6W: Pugh's Run, Shen. Co.) stream crossing surveys w. Dana and Ben, design work, and preconstruction meeting
- Multiple SL-1 field checks with Madison and Sabrina
- Visit with potential SL-6W in Clarke County with Dana

- Jordan (SL-1: Shenandoah County) soil samples with Sabrina
- Nutrient Management Plan writing for farm in Shenandoah Co. with Dana, Madison, Sabrina
- Visit with potential WP-4LL in Frederick County with Ben
- DeHaven (SL-6W: Pond outflow, Fred. Co.) water system pre-con meeting with Madison
- Visit with potential SL-6W (Opequon Creek) in Frederick County
- Correspondence with Phil Davis, DEQ Ag. Loan
- Correspondence with contractors
- Various CAS updates, map creations, cost estimates, ranking spreadsheets, Cons Plans

Education

• Envirothon at Seven Bends State Park (4/1/2025)

Other Relations

- Multiple staff meetings regarding TAC Suggestions, Secondary Considerations, Ranking Spreadsheets, etc.
- Shenandoah County Leadership Course orientation (4/11/25) at Shentel Building
- Shenandoah County Leadership Course medical services (4/25/25) at SMH
- CTC Meeting (4/3/25)
- Board Meeting (4/10/25)

Conservation Specialist

Madison Coffey

Training:

• Tax Credit Training Recording – 4/15/2025

Promoting BMPs:

- General administrative tasks (entering data into tracking, completing ranking spreadsheets, resource concerns, etc.)
- Site visit with Nick on 4/2/2025 to discuss clearing for fence with Mt. Airy (Shen: SL-6W).
- Processed bills on 4/3/2025 for reimbursement for Gochenour (Shen: WP-4LL). Communicated with landowner, contractor, and DEQ regarding remaining bills needed to finalize reimbursement.
- Follow-up site visit with Ben on 4/4/2025 to discuss rotational grazing field division for Dotson (Shen: SL-6W).
- As-built inspection with Ben on 4/4/2025 for Foltz (Shen: WP-2W). Reviewed bills and processed reimbursement.
- Initial site visit with Sabrina on 4/8/2025 for interested producers in Clarke County. The landowners did not qualify for our programs, but we provided technical assistance and resources to them regarding improved pasture management and rotational grazing.
- Engineering visit with Sabrina, Jason (DCR), and Tracy (DCR) on 4/9/2025 for erosion control practices in Warren County.
- Pre-construction visit with the landowner on 4/14/2025 for Good (Shen: SL-6W/SL-7). Follow-up communication regarding options for sheep troughs.
- Engineering visits with Nick, Ben, and Amanda (DCR) on 4/16/2025 for multiple producers interested in animal waste and erosion control practices.
- Follow-up visit with Sabrina on 4/17/2025 for a potential SL-6W and SL-7 project in Clarke County. Reviewed program requirements and potential plan layouts.
- Initial site visit with Sabrina on 4/18/2025 for a potential SL-1 in Shenandoah County. Received application and entered necessary information into tracking for project approval.
- Mid-construction site visit with Sabrina on 4/18/2025 for Stickley (Shen: SL-6W).
- Follow-up site visit with Dana on 4/18/2025 for a potential SL-6W project in Frederick County. Reviewed program requirements and discussed plan layout.
- SL-1 inspections with Sabrina and Nick on 4/21/2025. Follow-up up with participants regarding information needed for payment.
- NMP writing practice with Nick, Dana, and Sabrina on 4/23/2025 for Walnut Lane Dairy Cover Crops and SL-1.
- Water system design on 4/24/2025 for Dehaven (Fred: SL-6W)

- Updated plan map and cost estimates on 4/24/2025 for potential piggyback SL-6W and SL-6N that was pre-approved in Clarke County. Communicated with landowners regarding project setback and lifespan option. Entered necessary information into tracking for project approval.
- Pre-construction meeting and fence staking with Nick on 4/28/2025 for Dehaven (Fred: SL-6W).

Other Activities:

- District Envirothon 4/1/2025
- CTC Agenda Prep 4/2/2025
- CTC Meeting 4/3/2025
- Board Meeting 4/10/2025
- Staff Meeting on Secondary Considerations 4/14/2025
- Staff Meeting on Approval Letters and Tax Credit Process 3/22/2025
- Created new ranking sheets for Long Term Vegetation & Erosion Control practices 3/25/2025
- CTC Agenda Prep 4/29/2025
- Staff meeting on ag outreach event and ranking sheets $-\frac{4}{30}/2025$

Conservation Specialist Sabrina Heltzel

Training:

• Attended LFSWCD Envirothon & helped run the Soils Exam Station with Nick (April 1st)

Promoting BMPs:

- Hafner water system pre-construction meeting with NRCS staff (April 7th)
- Stickley water system pre-construction meeting (April 7th)
- Initial visit for potential SL-6 in Clarke County with Madison (April 8th)
- Final SL-10 pasture condition score evaluation for Skyview Farms w. Madison (April 8th)
- DCR Engineering site visit for potential WP-2A in Shenandoah County with Madison (April 9th)
- Designed Bailey SL-6N water system (April 15th)
- Revised John Bowman SL-6W water system design (April 15th)
- Helped DOF inspect Green FR-1 (April 15th)
- Worked on resource concerns for two projects (April 16th)
- Follow up visit for potential SL-6W and SL-7 in Clarke County with Madison (April 17th)
- Worked up plan map and cost estimates for potential SL-6W and SL-7 in Clarke County (April 18th)
- SL-1 planting inspections for multiple producers with Madison and Nick (April 21st)
- Took soil samples for producer's nutrient management plan with Nick (April 23rd)
- Helped DOF inspect Blyth FR-1 pine planting (April 24th)
- Designed ford-style crossing for Springdale Poultry (1of 2) (April 28th)
- Designed ford-style crossing for Springdale Poultry (2 of 2) (April 29th)

Other Activities:

- Attended Monthly CTC Meeting (April 3rd)
- Attended Monthly Board Meeting (April 10th)
- Attended Education and Information Sub-Committee Meeting (April 10th)
- Staff meeting to discuss TAC suggestions, ranking spreadsheet, and secondary considerations (April 14th)
- Staff meeting to discuss End of Year topics (April 22nd)
- Created PY26 Erosion Control and Long-Term Vegetation ranking spreadsheets with Madison (April 24th)
- Prepped for Farmer's Outreach Event with staff (April 30th)

Conservation Specialist

Ben Loyd Training:

am

Promoting BMPs:

- As-Built with Dana for SL-6N Shenandoah County
- As-Built with Dana for SL-6W Clarke County
- Follow up visit with Madison for division fence layout for SL-6W Shenandoah County
- As-Built with Madison for WP-2W Shenandoah County
- Grazing plan creation for SL-6N Shenandoah County
- Fence staking with Nick for SL-6W Shenandoah County
- Fence staking with Dana for SL-6W Clarke Conty
- Engineering visit with Nick and Madison for possible WP-2A and WP-4LL Warren and Shenandoah County
- Stream crossing survey with Dana and Nick for SL-6W Shenandoah County
- Pre-Construction meeting for SL-6W Clarke County
- Created conservation plan and entered into tracking SL-6W Clarke County
- Mid-Construction check for SL-6W Clarke County
- Initial visit with Dana for possible SL-6 Shenandoah County
- Follow up visit with Nick for possible SL-6 and WP-4LL Frederick County
- Stream Crossing design for SL-6W Shenandoah County
- As-Built with Dana for SL-6W Shenandoah County
- Water system design for SL-7 Clarke County
- Water system design for SL-6W, WP-4LC and WP-4LL Shenandoah County
- Ran resource concerns for SL-7 and SL-6W Clarke County

Other Activities:

- Envirothon 4/1/2025
- CTC Meeting 4/3/2025
- Board Meeting 4/10/2025
- Outreach Event at Seven Bends Native Plant Nursery 4/12/2025
- Staff Meeting on Secondary Considerations 4/14/2025
- Staff Meeting on Approval Letters and Tax Credit Process 4/22/2025

Education & Conservation Specialist

Allyson Ponn

- Education:
 - JR Rangers Camp coordination
 - MRGS Research Project meeting (x2)
 - LFSWCD Envirothon Competition
 - Scoresheet send out,
 - Internship research
 - Soils @ Skyline HS
 - Soils @ Handley HS
 - Bluebell Festival Support
 - Field trip support @ Seven Bends State Park
 - Master Gardeners stormwater BMP presentation
 - Red Bud Festival, Browntown
 - Earth Day/Lone Pine Day, Front Royal

Information:

- LFSWCD Website updates
- Facebook content creation + scheduling
- Area 1 Quarterly Report
- Scholarship reminder email
- LRCC Contract for Ag Outreach
- Seven Bends Nursery Opening Event
- Marketing Committee meeting

Office/Program Support:

- Strasburg VCAP Application
- Cover crop processing, NMPs and Part IIIs
 - VCAP initial visit, Shenandoah County

VACDE/Training:

- VACDE Report for VASWCD
- SECDEA Meeting in Mississippi (4/6-4/10)
- VACDE Conservation Planning Meeting
- VACDE Board Meeting
- DEI Committee Meeting
 - VASWCD Association Meeting, Richmond

Upcoming Event Dates:

- Sunday May 18 & 19 State Envirothon @ Mary Washington
- Saturday, June 7th GardenFest @ Belle Grove

Conservation Technical Committee

Mary Gessner

• Please review the minutes of the CTC as provided in the Board Packet

Motions: will be made for necessary items.

Dam Safety & Conservation Easements Jim Fagan

• No new items to report.

Education & Information Joan Comanor

Nothing to report.

Legislative Committee Paul Burkholder

- I attended the quarterly meeting of the Va Soil and Water Conservation Association. I have the agenda plus all reports from area districts and am glad to share electronically with anyone interested. I am sure all of you will be proud to learn Ally was in attendance and performed very professionally in her roll as President of Virginia Association of Conservation District Employees (VACDE). It really was special to listen to Ally outside of our own district. Way to go Ally!
- Please use the following link to view an article in regard to Todd Gilbert. https://www.virginiascope.com/gilbert-puts-his-name-in-the-running-for-us-attorney/

Personnel Joan Comanor

- Stay tuned, we're still working on the Program Support Vacancy.
- Final Performance reviews will be completed on May 27. Staff should come prepared to suggest any changes needed in their performance standards for Program Year 2025-26, as well as any adjustments to their IDP or position description. Finally, the Committee would like to hear what accomplishment(s) each staff is most satisfied with.

Operations Justin Mackay-Smith

• Review of the Annual Plan of Work and Strategic Plan have ended. Please review the updated documents for Board acceptance.

Northern Shenandoah Valley Regional Commission Mary Gessner

• The Board met on April 17th and agreed to accept the DEQ grant (\$8,884) to lead the effort to update the Regional Water Supply Plan, which is due in October 2029. They are also in the process of developing an RFP to pick service providers to implement the Septic Pump Out Pilot Program in Clarke, Frederick and Shenandoah Counties. Eligibility will be income-based and priority will be determined on a first-come, first-served basis. They hope to start in early July and aim to complete approximately 320 pump outs. If there is sufficient demand, they will likely seek additional funding. Once promotional materials are available, we might be able to help them spread the word to the ag community. Next scheduled meeting is May 15.

Shenandoah County Water Resources Advisory Committee Joan Comanor

• No meeting scheduled at this time.

Shenandoah Pure Water Forum Jack Owens

• No new updates for the Pure Water Forum.

Natural Resources Conservation Service (NRCS) Brent Barriteau

• No written report submitted.

Department of Conservation & Recreation (DCR) Debbie Cross

ADMINISTRATIVE AND OPERATIONAL ITEMS:

- <u>End of Fiscal Year 2025 Checklist</u> (*Attached*): As we enter the 4th quarter of FY 2025, I encourage you to reference the attached checklist, which has been prepared to assist SWCDs ensure that they have satisfactorily completed many of the deliverables in the FY25 Grant Agreements. Any questions, let me know.
- **<u>FY26 Budget:</u>** SWCD board approval by June 30. Until we get final numbers, use proposed TA numbers below.
- FY26 Annual Plan of Work: SWCD board approval by June 30.
- <u>FY27 Budget Template/Attachment D:</u> due to DCR by July 15. There is a recording of the Att. D Budget Template training that was held in 2023 available online at <u>https://www.youtube.com/watch?v=sv5evnTqJKk</u>.
- <u>SWCD Director and Admin/Manager Financial Training:</u> June 6, 2025, from 9:30AM until 3:00PM at Randolph-Macon College in Ashland, VA. Sarah Adams, Adams & Co. Certified Public Accountants, will be discussing audit pitfalls that can occur with journal entries, voided checks, bank reconciliations and changes in liabilities, and how to appropriately handle these items in QuickBooks. A work session devoted to Attachment D/Budget Template will be offered. Bring your draft Att D and your questions. Susie Miller, of Skill Set Partners, LLC, trainer at the Center For Non-Profit Excellence & grant specialist will provide insights on how to improve grant work including those items best prepared for all grant needs, how to ensure your message is compelling and where to look for grant opportunities. Following the training, those interested in staying for Youth Conservation Leadership Institution (YCLI) graduation are welcome to stay and celebrate students across the Commonwealth. This training will be in-person only with no virtual option available. Registration is now open: https://form.jotform.com/251103542075143. Registration closes May 23, 2025
- <u>Meeting Minutes Follow Up Training, May 29th @ 10 am</u>: Virtual via Microsoft Teams You've heard the basic expectations of Robert's Rules of Order for meeting minutes, now come learn in greater detail the meeting minutes requirements for FOIA, how to properly document going into and coming out of closed meeting, documenting BMP/RMP/CP approvals, and more. Join the FOIA Council, the OAG, and DCR on the webinar! No registration required. Highly recommended but not a grant agreement requirement. It will be recorded. Allow 2 hours. Click on the highlighted link Join the meeting now or paste the following link into your browser: https://teams.microsoft.com/l/meetup-

- <u>Audit Reports & Updates:</u> The Audit General Management letter went out on 3/26 from Blair Gordon. If you didn't cover in April Board meeting, please review at May board meeting. For FYs 24 & 25 John Marshall, Lord Fairfax and Prince William SWCDs are scheduled for audits later this fall.
- The Virginia Soil and Water Board met on 4/16 to approve the PY26 VACS Manual. The Board conducted its first review of the FY26 proposed policies and grant agreements. Admin/Ops and Base TA funding will be level with FY25 funding. Cost share and Additional TA funding will increase. Assuming the Governor signs the budget the VSWCB is expected to act on polices and grant agreements at their 5/28 meeting. Use these proposed amounts for budgeting until we have final amounts.

Proposed: \$169.4M VACS; TA & \$21.9M In Addition to Base TA; Approved \$4.55M FY25 Base												
SWCD	FY 26 Admin &	Dams	FY26 VACS	FY26 Base	FY26 TA Addition to	Total TA						
	Ops (level FY25)		Allocation	TA (level	the FY26 TA Base	Allocated						
				FY25)								
Culpeper	\$553,384	\$49,500	\$9,932,609	\$365,609	\$1,288,806	\$1,654,415						
John Marshall	\$269,438		\$6,549,027	\$163,886	\$849,786	\$1,013,672						
Lord Fairfax	\$413,183	\$9,000	\$8,616,653	\$173,139	\$1,118,061	\$1,291,200						
Loudoun	\$246,695		\$3,615,742	\$168,089	\$469,193	\$637,282						
Northern Virginia	\$411,003		\$147,730	\$12,026	\$19,218	\$31,244						
Prince William	\$335,595		\$1,119,163	\$39,707	\$145,261	\$184,968						
Thomas Jefferson	\$573,557	\$36,000	\$7,480,616	\$178,251	\$970,660	\$1,148,911						

AG COST SHARE ITEMS:

<u>Carryovers</u>: Encourage VACS participants to complete their projects in time for payment prior to the end of the FY. Refer to Pages II-42-II-46 of the FY25 VACS Program Manual for a list of practices eligible for carryover and an explanation of the carryover procedures. Practices substantially under construction and eligible for carryover will need approval by SWCD boards prior to 06/30/25.

Carryover <u>BMPs coming to the end of their third PY and not expected to be complete by 06/30/25 can only be carried over again with prior approval from DCR by May 15th. Requests to carry over BMPs a 3rd time into a 4th PY must be submitted to Sara Bottenfield, Ag Incentives Program Manager. For each practice:</u>

- <u>Update the Carryover section of the Measurements tab by selecting 'Other</u> (describe in BMP comments)' as one of the justifications and entering a comment on the General tab to thoroughly explain the reason for an additional carryover. Include the date and initials of the person entering the request in the comment box.
- <u>Send a single email from each district</u> to Sara (sara.bottenfield@dcr.virginia.gov), copying your CDC, with the contract number, instance number, and justification. This can be in the body of the email or as an attachment
- Participant Self-installation: Please ensure when participants self-install any portion of a BMP that the participant provides receipts for all materials purchased by the participant for the installation of the BMP component(s). An invoice from the participant that simply lists materials and their respective cost(s) as purchased by the participant is not acceptable.
- <u>PY26 Secondary Considerations</u>: Requires SWCD Board and DCR approval. Secondary Considerations must be submitted for approval by Sara Bottenfield, DCR-DSWC Ag Incentives Program Manager before any PY26 cost share applications may be approved by your district.
- <u>PY26 Average Cost List:</u> Requires SWCD board approval; and submission to DCR, Sara Bottenfield, copy to your CDC before any PY26 cost share applications may be approved by your district. *Don't forget to include a good and implementable contingency clause.*
- <u>PY26 VACS Program Updates Sessions</u>: Virtual with two identical sessions scheduled for Thursday, June 12; 1:00 PM-4:00 PM and Tuesday, June 17; 9:00 AM-12:00 noon. <u>All</u> Ag. technical staff must attend one of the two sessions for the SWCD to fully satisfy the related grant agreement deliverable.
- <u>VCAP</u>: The VASWCD will convene a VCAP Steering Committee and a VCAP Technical Advisory Committee to discuss & propose revisions to the PY27 Virginia Conservation Assistance Program. Please respond to their Feedback Survey with ideas and suggestions. Suggestions may be prioritized to manage workload and allow for thorough consideration. It will take approximately 10 minutes to complete VCAP Program Year 2027 Feedback Survey: https://forms.gle/8NmxgT57Gw2LJJvW8 it is due no later than Friday, May 30 at 5:00 PM.

UPCOMING DATES TO REMEMBER:

- May 7: <u>Overview of Nutrient Management Plans</u>, 1:30pm This is a repeat of the training offered at the Annual Meeting. Registration link: <u>https://us02web.zoom.us/meeting/register/c3Vu_pVDT0qP3nA8Du94tg</u>
- May 14: Education Foundation Golf Tournament at The Hollows Golf Course 10 am start time.
- May 15: <u>Carryover Deadline</u>: for approval from DCR's Sara Bottenfield for carryovers into a 4th program year.
- May 18-19 Envirothon State Competition University of Mary Washington, Fredericksburg. VA
- May 21: Stream ID Course 8:30am -4:00 pm Charlottesville DCR CPC Required training
- May 28: VSWCB Meeting, VA Farm Bureau building, Goochland, VA
- May 29: Meeting Minutes Follow Up Training 10:00 am Virtual Microsoft teams Join the meeting now
- May 30: BMP approvals must be in CAS by COB for disbursement in June

June 6: Director & SWCD Admin/Manager Training, 9:30am-3:00pm Randolph-Macon College, Ashland,

- June 12: PY26 VACS Program UpdateSession, (Virtual) 1:00-4:00 pm Required of Ag staff. Details to follow

- July 30: Deadline for resolution of all QAQC issues in CAS.
- Aug 13: <u>Area II Legislative Zoom Mtg</u> 8:30 am. Register in advance for this meeting: <u>https://us02web.zoom.us/meeting/register/zbCrprHWQPSMdmhS3VgNOg</u> Login details will follow after registration.
- Aug 19-21: VACDE Training, Graves Mountain Lodge
- Oct 10: Potomac Council Mtg. (9am), Potomac Watershed Roundtable Mtg. (10am) Loudoun SWCD hosting

CDC Report sent to districts 5/5/2025.

End of Fiscal Year 2025 Items: As the end of the fiscal year approaches, please be mindful that the following items must be completed, approved by SWCD boards, and recorded in the minutes by June 30, 2025, as per the grant agreements (GA) and the Desktop Procedures for District Fiscal Operations (DTP). <u>Once documents are approved, please ensure that the new revision/approval date is included on the document.</u> Except for Employee Performance Reviews, FLSA Position Description Tests, and Pay Action Approval Forms, you should send a copy of all items to the assigned CDC once they have received board approval. The CDC will not be able to call these items fulfilled on the assessment until they are both <u>approved</u> by the board and <u>received</u>. Remember, assessments will be conducted Late July through September.

Year End Item	Notes
Review of FY 2024-2025 Annual Plan of Work & Current Strategic Plan	Review Only (In open board meeting;
(One review of each plan is required) Grant Agreement (GA)	recorded in minutes)
Develop Strategic Plan (If plan expires on 6/30/25) (GA)	Board Approval Required

VA Cooperative Extension

• No written report submitted.

VA Department of Forestry (DOF) Matt Wolanski

• No written report submitted.

• No written report submitted.

VA. Department of Environmental Quality (DEQ) Sara Jordan

• DEQ will begin monitoring Shenandoah River nuisance algae in May. The monitoring stations selected for 2025 and 2026 Seasons are summarized below. There are four stations on the North Fork Shenandoah and two stations on the South Fork Shenandoah River. These stations will be visited monthly through the recreational season, defined as May through October, to determine if enough algae growth is present for sample collection. Please contact Tara Wyrick, Water Monitoring & Assessments Manager, at tara.wyrick@deq.virginia.gov with questions.

STATION ID	RIVER	DESCRIPTION
1BNFS007.93	North Fork Shenandoah River	Upstream Cedar Creek confluence
1BNFS011.81	North Fork Shenandoah River	Strasburg Town Park
1BNFS028.66	North Fork Shenandoah River	Bear Paw Rd.
1BNFS046.79	North Fork Shenandoah River	Lupton Rd., 7 Bends State Park entrance
1BSSF004.03	South Fork Shenandoah River	Upstream Luray Ave, Front Royal
1BSSF022.71	South Fork Shenandoah River	Hazard Mill

 DEQ's Clean Water Financing and Assistance Program's Agricultural Loan Dashboard as of April 21, 2025, is found below. For more information, contact Phil Davis, Ag BMP Project Manager with the Clean Water Financing and Assistance Program: (540) 209-4201, <u>philip.davis@deq.virginia.gov</u>.

Legislative – Paul Burkholder

- Paul reviewed his report.
 - Discussion of new bill.
 - On March 24th, Governor Youngkin signed House Bill 1941/Senate Bill 1166 (Invasive Plant Labeling Bill) into law. It will become effective on January 1, 2027.

Personnel – Joan Comanor

- Reviewed written report.
- Upcoming items of interest
 - Interviews for open position late April.
 - End of year staff reviews to be scheduled for end of May.

Operations – Justin Mackay-Smith

• Reminded Committee Chairs to review APOW and Strategic Plan and send updates to Allyson to edit for presentation at the May meeting.

Local Agency Updates:

Northern Shenandoah Valley Regional Commission - Mary Gessner

• Nothing to report at this time.

Shenandoah County Water Resources Advisory Committee – Joan Comanor

• Nothing to report at this time.

Shenandoah Pure Water Forum – Jack Owens

• Nothing to report at this time.

Cooperating Agency Reports:

Natural Resources Conservation Service: Brent Barriteau

• Brent reviewed his handout on NRCS happenings.

Virginia Department of Conservation & Recreation: Debbie Cross

• Debbie reviewed her written report, highlighting items of varied importance

follows. *Kermit Gaither, Mark Huddleston, and Paul Burkholder were absent at time of vote.

Virginia Cooperative Extension: Robert Clark

- Bobby gave an update on related items.
- Virginia Department of Forestry: Matt Wolanski
 - Not in attendance.
- Chesapeake Bay Foundation: Matt Kowalski
 - Not in attendance.

Department of Environmental Quality: Sara Jordan

• Not in attendance.

Other:

Adjournment:

MOTION: to Adjourn. Motion made by Robert Clark, seconded by Paul Burkholder. Motion Passed. Voting Ballot is as

The meeting adjourned at 11:50am.

Respectfully submitted, Sarah R. Fleming

Board Secretary

Approved by the Board through motion on:

LFSWCD ED & INFO COMMITTEE MEETING MINUTES April 10, 2025

Committee Members Present: Dana Gochenour, Sarah Fleming, Mary Gessner, Joan Comanor, Sabrina Heltzel, and Emma Bricker.

Absent: Allyson Ponn, Kermit Gaither, Reid Hoak

The meeting was called to order at 12:02 PM at the Strasburg Community Center.

- 1. The committee debriefed on the 2025 LFSWCD Envirothon that was held April 1 at Seven Bends State Park. All of the staff and board were happy with the event, including the location, weather and turnout. Because we had several new oral presentation judges, it is recommended that in future years judges should be briefed in advance of the rules they should follow regarding interacting with the teams and with time management procedures. None of the teams used close to the maximum time allowed and thus lost scoring points. Teams should be reminded to bring their presentations on memory sticks as locations often do not have internet access. There were many partners that helped out which was excellent and provided students further exposure to organizations involved in conservation.
- 2. YCC Applications: no applications were received.
- 3. The committee discussed the 2 scholarship applications that were received and agreed that 1 was incomplete and thus not considered. The committee agreed the other application had some merit but not likely competitive at the state level. Instead the committee agreed to provide the applicant with a \$500 local scholarship from our funds (motion by Gochenour, second by Bricker, passed unanimously).
- 4. The committee reviewed the Intern Job Description provided by Ponn and recommended that she should proceed negotiating with the applicant (motion by Gessner, second by Gochenour, passed unanimously).
- 5. APOW Review: The committee briefly discussed the current plan of work and no updates were recommended for next program year.
- 6. Other: The committee discussed the plan for the Ag Outreach Event, which is scheduled for May 1 at Laurel Ridge Community College. Allyson had prepared a flyer which Gochenour agreed to forward to the committee for information. It will be held in late afternoon with modest refreshments provided.

Budget proposed for next year: In Ponn's absence, the Committee recommended that she submit the same amount as this year plus intern salary costs for 12 weeks, estimated at \$3600 (motion by Gochenour, second by Gessner, passed unanimously). She should let us know before submitting if she has other recommendations.

There being no further business, the meeting adjourned at 12:45 PM.

Respectfully submitted,

Joan Comanor Committee Chairwoman

The Lord Fairfax Soil and Water Conservation District Annual Plan of Work

July 1, 2025 - June 30, 2026

Annual Plan of Work July 1, 2025 – June 30, 2026

The Commonwealth of Virginia supports the Lord Fairfax Soil and Water Conservation District through financial and administrative assistance provided by the Virginia Soil and Water Conservation Board and the Department of Conservation and Recreation. In exchange for that support, the District is charged with providing specific administrative and technical assistance in the jurisdictions it serves.

The District's Annual Plan of Work is implemented by the work of its committees. Committees work to directly benefit water quality and to further Virginia's commitment to the Chesapeake 2000 agreement, the Commonwealth's TMDL program, EPA's Chesapeake Bay TMDL program, and requirements to protect soils and improve water quality in the District.

The State of Virginia encourages all SWCDs to apply public funds in the most cost - effective manner and to take every opportunity to increase the effectiveness of every public dollar spent. With this in mind, each District committee has considered its activities for the coming year. The District presents the following Plan of Work to guide its employees and committees.

Conservation Technical Committee

Chair: M. Gessner Vice Chair: J. Mackay Smith Committee Members: R. Buckley, J. Bushong, R. Clark, M. Coffey, D. Gochenour, S. Heltzel, N. Livesay, B. Loyd, E. Pendleton, A. Ponn.

<u>Mission</u>: To assist the District in improving soil and water quality by establishing priorities for the allocation of cost-share funds for the installation of Best Management Practices (BMPs), reviewing applications for those funds, and recommending approval of applications to the Board. The committee will prioritize the allocation of cost- share funds to projects that demonstrate the greatest pollution reduction.

The Conservation Technical Committee will carry out all responsibilities mandated by the District Board, Department of Conservation and Recreation (DCR) and the Virginia Association of Soil and Water Conservation Districts (VASWCD).

<u>Goal:</u> Strengthen the capacity of the District to effectively address the soil and water conservation needs of our communities.

<u>Key Activities</u>: The focus of our activities in the coming year will be to increase the number of BMPs that are installed throughout District watersheds with particular emphasis on the Chesapeake Bay watershed. The District will direct its resources to the recruitment and installation of the most cost- effective practices that obtain the greatest water pollution reduction and soil protection. The committee will continue to identify sources of water quality impairment in District watersheds, and encourage cooperation through technical assistance, education and outreach.

- The Committee will meet monthly at the District office on the Thursday preceding the District Board meeting to review cost-share applications and other association business.
- Prepare committee's plan of work for fiscal year 2027 for submission to the Board before June 1st, 2026.
- Review applications and make recommendations to the Board of Directors for tax credits and cost share funding for BMPs.
- Make certain that BMPs are cost-effective and directly benefit water quality.
- Support the Chesapeake Bay TMDL Development Plan as well as TMDL Implementation Plans for all TMDL watersheds within the District.
- Respond to State and local requests for input on BMP cost share programs.

Tasks, continued:

- Provide guidance to the Board of Directors with respect to special requests made to the District that relate to technical soil and water conservation issues.
- Partner with other organizations and agencies to maximize the resources available for potential applicants, promote participation and effective outreach.
- Annually establish VACS priorities and secondary considerations for the funding of agricultural BMPs. At the June 2026 committee meeting, the Committee will develop its priorities and secondary considerations to be submitted for approval at the June Board meeting. The list of primary and secondary considerations will be used to develop the LFSWCD ranking spreadsheet and update it prior to the start of each fiscal year. (DCR must approve the two documents before any fiscal 2027 cost-share applications can be approved).
- Assist in BMP Verifications and inspections within each Director's jurisdiction, to insure proper installation and maintenance of BMPs, as directed by DCR and VASWCD.
- Assist the District as requested with Agricultural Stewardship Act complaints.
- Approve VACS cost- share funds and tax credits for projects using the hydrologic unit priority (established by DCR), LFSWCD ranking spreadsheet, and Conservation Efficiency Factor to determine its recommendations.
- Encourage staff to promote all applicable soil and water conservation related programs (federal cost share programs such as CREP, EQIP, CSP; state cost share, grants and loan programs) when recruiting cooperators and designing effective conservation plans.
- Staff will report all project information relating to BMPs by entering data into the associated CAS program, supplying up-to-date contract forms (parts I, II, & III) to the Administrative Specialist for payment upon certification of practice completion.
- Establish and update the average cost list annually. Actual practice installation costs will be used for updating the average cost list.
- Propose outreach activities needed to help inform and recruit BMP participation to the Education and Outreach Committee.
- Consult with relevant entities to help them reach their public education and outreach goals in the field of water conservation, and to continue to educate the public on current issues regarding non-point source pollution, and BMP programs the District has available.
- Serve on the cost-share programs Technical Advisory Committee (TAC) to improve the program and advocate for potential BMPs within our jurisdiction.

3

Dam Safety & Easements Committee

Chair: J. Fagan

Committee Members: E. Bricker, P. Burkholder, J. Comanor, D. Gochenour, M. Gessner, M. Huddleston, J. Owens, I. Richards

<u>Mission</u>: The Dam Safety & Easement Committee will work with DCR and NRCS to ensure that Lake Laura Dam #9 and Bird Haven Dam #10 are maintained and improved in compliance with applicable state regulations. We will also facilitate DCR's assistance to the Town of Woodstock for the Woodstock Reservoir.

The Committee is also engaged in education, development, holding, and monitoring of conservation easements. The District's primary expertise regarding conservation easements is related to soil and water conservation, water quality, and sustaining natural resources including the development of conservation plans and implementation of agricultural BMPs. The Committee will evaluate easement opportunities on behalf of the Board to determine the following:

- The extent to which proposed easements are consistent with the District's overall mission.
- Whether or not proposed easements will unduly burden the District.
- For each proposed easement, recommend that the Board accept or decline to hold such easement.
- Ensure that a process is in place to monitor all easements held by the District.

<u>Goal:</u> Strengthen the capacity of the District to effectively address the soil and water conservation needs of our communities.

<u>Key Activities:</u> Support and develop programs that educate and involve all members of the community in the work of the district. Strengthen existing partnerships, and develop new ones to support the work of the District.

Dam Related Tasks:

- Obtain technical and engineering support for the maintenance and improvement of the District's dams, working through DCR's Division of Dam Safety, Floodplain Management, and Flood Resilience and the DCR Division of Soil and Water Conservation's District Dam Engineer
- Conduct required dam inspections and maintenance through District staff, the Dam Safety Committee, and District Dam Engineer
- Maintain and operate the District's dams safely, satisfying federal and state requirements, in cooperation with Bryce Resort.

Tasks, Continued:

- Secure current operating certificates for the dams, work with the District Dam Engineer, and Shenandoah County to maintain current emergency action plans.
- Obtains funds for maintenance and repair to the extent possible.
- Encourage both staff and Directors to participate in the Dam Owners' Work Group meetings to learn about dam safety, maintenance and other dam issues.
- Participate in the Joint Procurement for Engineering Services Term Contract by maintaining a valid MOU with the lead district
- Cooperate with the Legislative Committee to encourage funding by the State and Federal governments of dam maintenance, repair, and improvement.

NRCS Action Plan:

- Assist the District in annual maintenance inspections of Stony Creeks Dams #9 & #10.
- Coordinate as necessary with NRCS Watershed Programs Manager and State Engineer about needed improvements to Dams # 9 and #10.

Easement Related Tasks:

- Evaluate proposed easements and seek to partner with appropriate land trusts, local governments and state agencies to ensure that adequate resources are in place to prepare legal documents and provide enforcement of easement terms.
- Ensure that necessary monitoring is properly completed for easements held solely and co-held by the District.
- Participate with other area land trusts, local governments and various stakeholder groups to educate the public about the benefits of easements and purchase of development rights.
- Work with other SWCDs and DCR to obtain enforcement powers through the Attorney General's office.

6

Education and Information Committee

Chair: J. Comanor

Committee Members: E. Bricker, D. Gochenour, S. Fleming, K. Gaither, M. Gessner, S. Heltzel, R. Hoak, A. Ponn

<u>Mission</u>: To increase community knowledge of, and commitment to the conservation of soil and water through communication with local communities, local governments, agricultural organizations, environmental organizations and individuals. To promote environmental education programs in the community and to support and encourage related education activities within the District.

<u>Key Activities:</u> Identify, design and implement a variety of educational activities to inform constituents about the purpose and work of the district, and the jurisdiction residents' roles in conserving water quality and soil health.

Information/Communication Tasks:

- Keep the community informed of conservation activities by distributing three newsletters a year to the District's email address list. Expand the list. Solicit submissions from directors, associate directors and partners for the District's newsletter.
- Publish and distribute by mid-August the annual report for the previous fiscal year.
- Annually update the Ag BMP Action Plan, outlining education and information efforts for promoting cost-share programs.
- Partner with other District committees to develop and distribute informational materials and presentations as requested.
- Work with other staff members to create, maintain, and update a diverse library of materials, including photos of Ag BMPs, examples of conservation problem areas, youth activities, etc., for District informational displays and presentations.
- Maintain the District website and Facebook page and update as needed.
- Monitor expenditures of the current fiscal year approved budget and develop an operational budget for next program year by April.
- Establish and maintain effective working relationships with local print media to enhance coverage of the District activities.
- Submit no less than six (6) conservation-oriented items per year to appropriate information outlets, such as newspapers, other newsletters, partners' websites, etc.
- Develop and maintain a calendar of education and information events, activities and deadlines. Keep Education & Information Committee members informed of progress and due dates for action items.
- Establish and maintain working relationships with key individuals, organizations and partners.
- Monitor FOIA requests and follow-up actions taken. Annually review the policy regarding fees for provision of requested documents to ensure they are appropriate.

Education Tasks:

- Sponsor and conduct the Annual District-level Envirothon Competition, as well as sponsor the District winning team at the Area I Regional Competition. Recruit full participation by ALL District high schools. Continue sponsorship of the District Envirothon winning teams, as appropriate and needed, to State and National Competitions.
- Solicit, evaluate applications, select, and sponsor camper(s) to the annual State Youth Conservation Camp.
- Solicit, evaluate applications, select, and nominate a High School Student from the District for the State SWCD scholarship. Recommend LFSWCD-sponsored scholarship (s) as appropriate.
- Partner with all local school systems in the District to sponsor environmental education activities.

Special Events/Activities Tasks:

- Participate in conservation activities across the District as opportunities arise to promote District activities (eg., Conservation Field Days, Earth Day, Arbor Day, Soil & Water Stewardship Week, and local watershed meetings).
- Enlist the involvement of directors and associate directors in carrying out education-related activities for adults and families, especially within their home jurisdictions and localities.
- Cooperate with District committees on educational programs and meetings that address relevant issues. Conduct at least one (1) producer Field Day/Workshop or cooperate with a partner organization in a field event.
- Arrange logistics and plan the program and awards for the Annual Awards Luncheon.
- Conduct an evaluation of current District educational and informational activities and develop a long-range plan based on results of the evaluation for activities most effective in promoting conservation knowledge and implementation, with community and partner involvement.
- Host at least one agriculture outreach event as outlined in the Attachment F of the Department of Conservation and Recreation Grant Deliverables.

Finance Committee

Chair: S. Shillingburg Committee Members: J. Comanor, S. Fleming, J. Owens, M. Coffey

<u>Mission</u>: The Finance Committee oversees financial aspects of District operations. The Committee assures compliance with applicable fiscal laws, protects District assets, enables the District to operate in a financially sound and efficient manner, and monitors use of funds to ensure surety bond compliance and auditor approval.

<u>Goal</u>: To assure that The District fiscal operations are conducted in a manner consistent with the District's Standard Operating Procedures and the Desktop Procedures for District Fiscal Operations, issued by the Virginia Department of Conservation and Recreation, July 1, 2022.

<u>Key Activities:</u> Conduct District fiscal operations in a manner consistent with the District's Standard Operating Procedures and the Desktop Procedures for District Fiscal Operations, issued by the Virginia Department of Conservation and Recreation, July 1, 2022.

- Prepare monthly budget reports for presentation at Board Meetings.
- Apply sound and consistent accounting principles to the management of all District funds.
- Manage and invest District funds. Establish and maintain a plan to optimize CD management.
- Review financial data on a monthly basis to assure the District's sound financial position.
- Assist directors and staff, and ensure coordination with all committees to:
 - Identify funding sources;
 - Obtain funds from such sources; and,
 - Integrate these funds into the total budget
- Track all funding accounts and complete required DCR quarterly and annual reports in a timely fashion.
- Maintain accounts in a condition that will successfully pass all audits.
- Make preparations for an audit this fiscal year.
- Maintain and update District written financial policies, including the purchasing policy and the credit card policy, and ensure compliance.
- Comply will all surety bond requirements.
- Establish specific reserves for dam maintenance and other contingent obligations.
- Draft annual budget to propose to the District Board by May.

Legislative Committee

Chair: P. Burkholder Committee Members: J. Fagan, K. Gaither, M. Gessner, R. Hoak, J. Owens, A. Ponn

<u>Mission</u>: With Board approval, the District Legislative Committee will recommend legislation to the State Association's Legislative Committee. It will evaluate proposed legislation pertinent to soil and water conservation introduced in the General Assembly, alert the Board to issues relevant to local concerns and recommend action when appropriate.

<u>Goal:</u> Maintain and enhance a District Advocacy Plan.

<u>Key Activities:</u> Support the VASWCD annual legislative priorities. Maintain effective relationships with Federal, State, and local government decision makers.

- Maintain personal contact with legislators concerning proposed legislation at least twice a year.
- Work directly with legislators and through the State Association's office on issues affecting soil and water conservation.
- Respond to requests for support of needed legislation from the State and National Associations of Conservation Districts.
- Maintain liaison with other agencies, including USDA Natural Resources Conservation Service and Farm Service Agency, DCR, Virginia Department of Environmental Quality, Virginia Department of Forestry and the Virginia Department of Transportation so as to coordinate efforts.
- Attend state, area, and national meetings when possible to keep abreast of actions, concerns, and proposed efforts at those levels.
- Become acquainted with and maintain liaison with local governing and planning agencies and their personnel, to apprise them of our interests and willingness to provide information for planning and zoning.
- Invite legislators to address Board meetings on an annual basis.
- Support VASWCD funding and other legislative initiatives. The Committee will participate in state lobbying efforts related to cost- share programs for BMPs and Soil and Water Conservation Districts' administrative budgets.
- Work with the General Assembly members to encourage funding for dam maintenance.

Operations Committee

Chair: J. Mackay-Smith Committee Members: P. Burkholder S. Fleming, K. Gaither, A. Ponn.

<u>Mission</u>: The Operations Committee undertakes those tasks which do not fall within the purview of other committees, or which may be assigned to it by the Board Chairman.

Goals:

- To Strengthen the Capacity of the District by Improving Its Organizational Efficiency and Effectiveness.
- Strengthen the Capacity of the District to Effectively Address the Soil & Water Conservation Needs of Our Communities

Key Activities:

- Ensure the appropriate level of representation of local jurisdictions by Directors and Associate Directors.
- Develop and implement concepts, tools, and technologies to improve District efficiency and effectiveness.
- Develop, share and implement an Annual Plan of Work.

- Vet and recommend for Board approval applicants for associate directorships.
- Vet and recommend for Board approval the nomination of directorship applicants for confirmation by the Virginia Soil and Water Conservation Board.
- Review the District's Standard Operating Procedures, making recommendations to the Board as circumstances require.
- Recommend, for Board approval, nominations for Association and other awards given outside the District.
- Conduct, two times a year, a review of the Annual Plan of Work. Review will be held in conjunction with committee chairs. Recommendations to be presented to the Board for its consideration.
- Conduct, in conjunction with committee chairs, the annual review of the Strategic Plan. Recommendations to be presented to the Board for its consideration.
- Review the District's vehicle maintenance documents at least once a year. Additionally, the committee will access if new vehicles are needed at lease once every three years.
- Review the District's office inventory list annually.

Personnel Committee

Chair: J. Comanor Committee Members: M. Huddleston, M. Gessner, D. Gochenour, S. Shillingburg.

<u>Mission</u>: Foster personnel practices that encourage Directors, Associate Directors, and staff to contribute effectively to District activities.

<u>Goal:</u> Strengthen the capacity of the District by improving its organizational efficiency and effectiveness.

<u>Key Activities:</u> Ensure the appropriate level of technical staff to support the District's work load. Provide for the continuing education and training of Board members and staff, in conjunction with the VASWCD Educational Foundation, and other partner organizations.

- Review written personnel policies and recommend changes, if any, to the Board.
- Evaluate current staffing levels and responsibilities and recommend any necessary adjustments to meet District responsibilities under the Agricultural BMP program, TMDL Implementation Plans, dam safety and maintenance regulations, and other responsibilities.
- Ensure that personnel policies and decisions are based on merit principles.
- Ensure that personnel management is conducted according to written policies.
- Recommend to the Board salary levels for employees, and appropriate adjustments.
- Apply a Pay Band system to personnel salaries.
- Review staff monthly reports and approve training plans for each employee.
- Conduct midyear progress and IDP review discussions each January, and provide annual performance ratings for each employee and set new performance standards for the next fiscal year in June each year.
- Update employee job descriptions and priorities, and communicate any changes to employees.
- Respond to all employee grievances.
- Respond to District Directors' concerns involving employee-related matters.
- Review and update District Director's Reference Book.

The Commonwealth of Virginia supports the Lord Fairfax Soil and Water Conservation District through financial and administrative assistance provided by the Virginia Soil and Water Conservation Board and the Department of Conservation and Recreation.

The District also receives financial and administrative support from the Counties of Clarke, Frederick, Shenandoah, and Warren, and the City of Winchester.

We work with the people who work the land.

The Lord Fairfax Soil and Water Conservation District Strategic Plan

July 1, 2022- June 30, 2026

LFSWCD Strategic Plan: PY2023 - PY2026

Vision:

Productive Soil and Water for the benefit and enjoyment of the people.

Mission:

To conserve, protect, and enhance the quality of our regions soil and water.

About Us:

Organized under the authority of the Soil Conservation District Law as passed by the Virginia General Assembly of 1938, the Lord Fairfax Soil and Water Conservation District is responsible for activities in the counties of Clarke, Frederick, Shenandoah and Warren, and in the City of Winchester in support of our mission.

The State provides funds to the District and establishes requirements for Agricultural and Urban Best Management Practices (BMPs) to carry out our conservation activities. Local counties also provide funds for the District's work, and the District seeks grants and other financial assistance when possible.

In cooperation with the USDA Natural Resources Conservation Service, State and local governments, and private organizations; the District's professional staff, Directors, and Associate Directors work with landowners who want to undertake BMPs.

The District provides educational programs targeting both youth and adults to promote ecologically sound use of land and water resources. The District is also responsible for the operation and management of two dams, both located in the Basye area of Shenandoah County

The Commonwealth of Virginia supports the Lord Fairfax Soil and Water Conservation District through financial and administrative assistance provided by the Virginia Soil and Water Conservation Board and the Department of Conservation and Recreation.

The District also receives financial and administrative support from the Counties of Clarke, Frederick, Shenandoah, and Warren, and the City of Winchester.

Equal opportunity provider and employer.

All programs and services of the District are offered on a nondiscriminatory basis, without regard to race, color, national origin, sex, age, marital status, handicap or political affiliation.

Signed:

Richard Hoover, Board Chairman

2026 LFSWCD BMP Practice Ranking Sheet - Stream Protection
To use the LFSWCD BMP ranking sheet, enter the estimated cost of the practice and a one (1) in each category
(in the ranking column) that best describes the practice. Priority practices include: CCI-WP-2N & SL-6N

Contract Practice Code ated Cost-Share Est

PARAMETER	RANK VALUE	EARNED
Partnership		
Practice is in conjunction with approved partner agency project (CREP,CCRP, EQIP, Easements, Etc.):	20	0
Practice is in response to an Agricultural Stewardship Act Complaint:	5	0
District Participation		1
Producer has never worked or annually works with LFSWCD	5	0
Producer has not worked with LFSWCD in over 5 years Producer has not worked with LFSWCD in over 2 years	3	0
Producer has a history of non-compliance with LFSWCD/Partner Agency:	-20	0
All Waterways Are Excluded from Livestock	-20	0
yes, the planned project will fence out all waterbodies on the farm	0	0
no, livestock will not be restricted from all the waterbodies on the farm	-20	0
Acreage Improved by Practice Installation (Acreage of Fields in Which Practice is Installed) *If on the boundate		
very large (more than 150 acres)	10	0
Between 100 and 150 acres	8	0
Between 50 and 99 acres	6	0
Between 11 and 49 acres	4	0
Less than 10 acres	0	0
NPS Agricultural Ranking of Watershed:		
High Priority:	10	0
Medium Priority:	5	0
Low Priority (All remaining):	1	0
TMDL Considerations:		-
Practice is within a local TMDL watershed with an approved implementation plan:	10	0
		0
Practice is approved for TMDL funding:	20	0
TMDL Considerations: Practice combats both nutrient and bacterial loading:	10	0
Practice combats both nutrient and bacterian loading. Practice combats only nutrient loading:	1	0
Practice Lifespan:		
Maximum lifespan available	10	0
Less than maximum lifespan	0	0
Comprehensive Conservation Planning:		
Practice is addressing all the acreage within the farming unit	20	0
Stream Size/Water Body:		
perennial (year-round flow, solid line on the topo)	10	0
intermittent (broken line on the topo) or karst sensitive area	8	0
defined channel, not on topo	5	0
wetland/pond	2	0
drainage way (only flows after storm event but has defined channel, not shown on topo)	1	0
Practice will result in the creation of a riparian area through:		
buffer establishment (planting trees and shrubs)	20	0
Linear Feet of Streambank Protected: 10,000 feet or greater	20	0
Between 6,000 and 10,000 feet	15	0
Between 4,000 and 10,000 feet	10	0
Between 2,000 and 4,000 feet	8	0
Between 1,000 and 2,000 feet	6	0
Less than 1,000 feet	4	0
Width of Buffer:		-
50 feet or greater	10	0
35 feet	7	0
25 feet	5	0
10 feet	3	0
Less than 10 feet	1	0
Nutrient Management:		1
Producer is currently implementing a nutrient management plan	10	0
Producer will implement a new nutrient management plan (required or voluntary)	5	0
Producer will not be implementing a nutrient management plan	0	0
Animal Units (A.U. = 1,000 lbs):	10	0
very high (more than 150 animal units)	10	0
high (between 100 and 149 animal units) medium (between 50 and 99 animal units)	8 6	0
	6 4	0
low (between 20 and 40 animal unita)		0
low (between 20 and 49 animal units) verv low (below 20 animal units)		0
very low (below 20 animal units)	2	
Very low (below 20 animal units) Grazing Management (Planning for):		0
very low (below 20 animal units) Grazing Management (Planning for): Management Intensive Grazing System	10	0

 2026 LFSWCD BMP Practice Ranking Sheet - Erosion Control

 To use the LFSWCD BMP ranking sheet, enter the estimated cost of the practice and a one (1) in each category (in the ranking column) that best describes the practice. Priority practices include: WP-1, WP-3

Contract	
Practice Code	
Estimated Cost-Share	

PARAMETER	RANK	VALUE	EARNED
Partnership/Collaboration			
Practice is in conjunction with approved partner agency project (CREP, Easements, Etc.):		20	0
Practice is in response to an Agricultural Stewardship Act Complaint:		5	0
District Participation			
Producer has never worked or regularly works with LFSWCD		5	0
Producer has not worked with LFSWCD in over 5 years		3	0
Producer has not worked with LFSWCD in over 2 years		2	0
Producer has a history of non-compliance with LFSWCD/Partner Agency:		-20	0
NPS Agricultural Ranking of Watershed:		-20	0
High Priority:		10	0
Medium Priority:		5	0
Low Priority (All remaining):		1	0
		1	0
TMDL Considerations:		40	0
Practice is within a local TMDL watershed with an approved implementation plan:		10	0
TMDL Collaboration			
Practice is approved for TMDL funding:		20	0
TMDL Considerations:			
Practice combats both nutrient and bacterial loading:		10	0
Practice combats only nutrient loading:		1	0
Practice Lifespan:			
Maximum lifespan available		10	0
Less than maximum lifespan		0	0
Comprehensive Conservation Planning:			
Practice is addressing all the acreage within the farming unit		20	0
Stream Size/Water Body:			
perennial (year-round flow, solid line on the topo)		10	0
intermittent (broken line on the topo) or karst sensitive area		8	0
defined channel, not on topo		5	0
wetland/pond		2	0
drainage way (only flows after storm event but has defined channel, not shown on topo)		1	0
Linear Feet of Eroded Feature Protected:			
1,000 feet or greater		20	0
Between 750 and 1,000 feet		15	0
Between 500 and 750 feet		10	0
Between 300 and 500 feet		8	0
Between 100 and 300 feet		6	0
Less than 100 feet		4	0
		4	0
Average Field Slope		2	
Extremely Steep Slope (15-25%, type D)		9	0
Steep Slope (7-15%, type C)		5	0
Moderate Slope (2-7%, type B)		3	0
Little Slope (0-4%, type A)		1	0
Practice will be done in conjunction with a land use conversion through:		_	
tree planting		20	0
conversion of crop land to perennial grass		10	
grass buffer in crop field		5	0
		Total Ranking Points	0
		Total Estimated Cost-Share	\$0.00
		Total Cost Per Ranking Point	#DIV/0!

Cost Efficiency Factor		
Less than \$100 per ranking point	25	0
Between \$100 and \$300 per ranking point	17	0
Between \$300 and \$500 per ranking point	15	0
Between \$500 and \$750 per ranking point	12	0
Between \$750 and \$1000 per ranking point	10	0
Between \$1000 and \$1250 per ranking point	8	0
Between \$1250 and \$1500 per ranking point	6	0
Between \$1500 and \$1750 per ranking point	5	0
Between \$1750 and \$2000 per ranking point	3	0
Between \$2000 and \$2500 per ranking point	2	0
Over \$2500 per ranking point	1	0

Total Ranking: 0

Staff Comments: include description of erosion control measures.
